NATIONAL PERSONNEL RECORDS CENTER HAS NEW ADDRESS

The new address for the National Personnel Records Center is:

National Personnel Records Center
1 Archives Drive
St Louis, MO 63138-1002

The majority of personnel have moved to the new location and the military personnel records are in the process of moving. The entire move should be completed by the end of the Summer of 2012.

As a reminder, the preferred method of submitting a request to the National Personnel Records Center (NPRC) is via the Internet. Please note that in some cases using a browser other than Internet Explorer may create problems with data entry. As you know, the NPRC provides copies of documents from military personnel records to authorized requesters. Our web-based application will provide better service on these requests by eliminating our mailroom processing time. Also, since the requester will be prompted to supply all information essential for us to process the request, delays that occur when we must go back for more information will be minimized. You may access this application at: <http://www.archives.gov/veterans/military-service-records/>

This improved on-line request process should be used INSTEAD OF Standard Form 180 for requests from the veteran or the veteran's next of kin, if possible. Your assistance with this initiative will allow us, and you, to better serve the needs of our veterans. If you do not wish to use the Internet, you should use Standard Form 180. You should print Standard Form 180 as you need it, not in advance because the form is periodically revised and updated. It should not be available on your web site. You can have a link to the NPRC web page.

The link is: <http://www.archives.gov/veterans/military-service-records/standard-form-180.html>

Since the Standard Form 180 is updated periodically, it is NOT recommended that large quantities be printed/photocopied and stocked.

The form will be updated with the new address within six months. The US Postal Service will forward mail if requests are mailed to the old location until February 2012

TO ALL LEATHERNECKS, INC. STOCKHOLDERS

If you did not receive notice of the annual Leathernecks, Inc., annual meeting, held on May 2011, please contact Leo Durant at (702) 362-9131 or write Leo at Leathernecks, Inc., 3867 South Valley View #1, Las Vegas NV 89103.

If you wish to run for election to a seat on the Board of Directors of Leathernecks, Inc., contact Leo Durant at (702) 362-9131, so that your name can be placed on the ballot. The election will take place prior to our annual meeting on May 2012. You must be a stockholder to run for election.

If you wish to purchase stock in Leathernecks, Inc., contact Leo Durant at (702) 362-9131. Stock is \$12 per share and there is a minimum purchase of 10 shares for \$120.

VA STREAMLINES ONLINE APPLICATIONS FOR HEALTH BENEFITS RENEWAL

WASHINGTON – The Department of Veterans Affairs (VA) has automated its online Health Benefits Renewal (10-10EZR) form as part of its ongoing effort to streamline access to benefits.

“This action dramatically reduces the time it will take for enrolled Veterans to submit updates to their demographic information and further reduces access barriers to needed care for Veterans,” said Secretary of Veterans Affairs Eric K. Shinseki.

Previously, Veterans filling out the online 10-10EZR were required to print a copy, sign it and send it to their local medical center before updates to their personal, insurance or financial information could occur. Veterans may now submit these updates online.

For additional information, go to www.va.gov/healtheligibility or call VA’s toll-free number at 1-877-222-VETS (8387). The online form is available at <https://www.1010ez.med.va.gov/sec/vha/1010ez/Form/1010ezr.pdf>.

VIETNAM WAR WEB SITE

This really is an amazing and sobering web site. Someone spent a lot of time and effort to create it. I hope that everyone who receives this appreciates what those who served in Vietnam sacrificed for our country.

The link below is a virtual wall of all those lost during the Vietnam War with the names, bio's and other information on our lost heroes. Those who remember that time frame, or perhaps lost friends or family can look them up on this site. First click on a state. When it opens, scroll down to the city of your choice and the names will appear. Then click on a name. It should show you a picture of the person, or at least their bio and medals.

Pass the link on to others, as many knew the wonderful people whose names are listed, <http://www.virtualwall.org/iStates.htm>

THIS MONTH MARINES IN HISTORY

1 October 1997: The first African-American female colonel in the Marine Corps was promoted to that rank during a ceremony at MCAS Cherry Point, North Carolina. Colonel Gilda A. Jackson, a native of Columbus, Ohio, made Marine Corps history when she achieved the rank of colonel. She was serving as Special Projects Officer, 2d Marine Aircraft Wing at the time of her promotion.

5 October 1775: Meeting in Philadelphia, Pennsylvania, the 2d Continental Congress used the word "Marines" on one of the earliest known occasions, when it directed General George Washington to secure two vessels on "Continental risque and pay", and to give orders for the "proper encouragement to the Marines and seamen" to serve on the two armed ships.

6 October 1945: Major General Keller E. Rockey, Commanding General, III Amphibious Corps, accepted the surrender of 50,000 Japanese troops in North China on behalf of the Chinese Nationalist government.

8 October 1899: A force of 375 Marines under command of future Commandant George F. Elliott, attacked and captured the insurgent town of Novaleta, Luzon, Philippine Islands, and linked up with U.S. Army troops. There were 11 Marine casualties.

9 October 1917: The 8th Marines was activated at Quantico, Virginia. Although the regiment would not see combat in Europe during World War I, the officers and enlisted men of the 8th Marines participated in operations against dissidents in Haiti for over five years during the 1920s. During World War II, the regiment was assigned to the 2d Marine Division and participated in combat operations on Guadalcanal, Tarawa, Saipan, Tinian, and Okinawa, and earned three Presidential Unit Citations.

11 October 1951: A Marine battalion was flown by transport helicopters to a frontline combat position for the first time, when HMR-161 lifted the 3d Battalion, 7th Marines, and its equipment, during Operation Bumblebee, northeast of Yanggu, Korea.

19 October 1968: Operation Maui Peak, a combined regimental-sized operation which began on 6 October, ended 11 miles northwest of An Hoa, Vietnam. More than 300 enemy were killed in the 13-day operation.

23 October 1983: At 0622 an explosive-laden truck slammed into the BLT headquarters building in Beirut, Lebanon, where more than 300 men were billeted. The massive explosion collapsed the building in seconds, and took the lives of 241 Americans--including 220 Marines. This was the highest loss of life in a single day for Marines since D-Day on Iwo Jima in 1945.

28 October 1962: An 11,000-man 5th Marine Expeditionary Brigade left Camp Pendleton by sea for the Caribbean during the Cuban Missile Crisis. One week earlier, the entire 189,000-man Marine Corps had been put on alert and elements of the 1st and 2d Marine Divisions were sent to Guantanamo Bay to reinforce the defenders of the U.S. Naval Base. Other 2d Division units and squadrons from five Marine Aircraft Groups were deployed at Key West, Florida, or in Caribbean waters during the Cuban crisis.

31 October 1919: A patrol of Marines and gendarmes, led by Sergeant Herman H. Hanneken, disguised themselves as Cacos and entered the headquarters of the Haitian Caco Leader, Charlemagne Peralte, killing the bandit chief, and dispersing his followers. Sergeant Hanneken and Corporal William R. Button were each awarded the Medal of Honor.
